Sir,

Sub:- Veerasaiva College, Bellary - Building Grant.

Ref:- My application dated 25-3-1948.

The Government is pleased to sanction Rs.50,000/- as Capital grant towards the cost of construction of new Buildings for the Veerasaiva College, please Vide G.O.(MS) 1631 - Education dated 25-6-1948. The Hon'ble Minister for Education in his letter dated 23-6-1948 is pleased to assure that the Government would consider sympathetically our request for further grants for the new Buildings, a copy of the Minister's letter is herewith enclosed.

On the strength of the Government grant sanctioned for the Buildings and in view of the implication of assurance of the Hon'ble Minister that we would be getting additional grant for the Buildings, the Madras University was pleased to restore the affiliation of the college for the current year on condition that we should start the construction of the Buildings and should show substantial progress before, March 1949.

The plans and estimates of the Buildings costing about Rs.3,50,000/- has been approved by the University and the same are pending disposal at the office of the Director of Public Instruction.

We are starting the construction in a very short time and I request that the Government would be now pleased to sanction capital grant of 50% of the cost of the Buildings less Rs.50,000/- already granted, atleast in two equal instalments for the years 1949-50 and 1950-51.

The favourable order now prayed for, will give us all the encouragement and assurance giving us strength to complete the buildings even before 31st March 1950.

We had purchased as long back as 1944, a land, 29 Acres in extent, for the college buildings. In addition to this we have successfully

Honourcd Sir,

Sub: Veerasaiva College, Bellary - Capital Grant for constructing new buildings.

I have the honour to confirm the following telegram sent today.

"Management unable to start construction work of new buildings Veerasaiva College Bellary in absence of Government assurance for further capital grant next year - Pray issue orders assuring further grant."

I regret very much to state that the Management is unable to proceed with the construction work of the new buildings in the absence of assurance from the Government

On behalf of the Management I request that you would be pleased to pass orders assuring the Management half the cost of the new buildings as capital grant by the Government even allotting the total grant amount in equal yearly instalments for three (3) years to relieve the Government from the financial strain.

I solicit the favour of early orders to enable the Management to take up the construction and finish the buildings at an early date.

Thanking you in anticipation,
I have the honour to remain, Sir,
Yours faithfully,

GOVERNMENT OF MADRAS

To

The Hon'ble Sri. T.S. Avinashilingam Chettiar Avl.,
Minister for Education,
Government of Madras, MADRAS.

Dear Sir,

I am enclosing herewith a copy of the resolution adopted by the Managing Body of the Veerasaiva College at a meeting held on 30-12-48. During our various interviews I had sought clear assurances from you as to the availability of fifty percent grant by the Government on the total cost of the proposed new Buildings. Even last week I had written seeking clarification of your last D.O. dated 15th December 1948 in which you had asked me to go ahead with the building works holding out hopes of further grants. But like a bolt from the blue there came the latest G.O. 3248 categorically declining any further grant. This has completely disappointed the Managing Body of the college and was totally unexpected. Hence the enclosed decision. I regret that all our earnest efforts to extablish the college have been frustrated.

Nevertheless, I shall be failing in my duty if I do not acknowledge all the kindness that you have extended me during my various interviews with you.

I remain, Sir,
Yours faithfully,

Y Manabalasamappa

President,
The Managing Body of the Veerasaiva College

Encl:-1

Copy to the Director of Public Instruction, Madras for information.

The Managing Body of the Veerasaiva College at its meeting assembled on 30-12-48 considered the situation created by the G.O.No.3248, wherein it is categorically stated that the Government decline to make any additional grant to the Veerasaiva College, Bellary, for the construction of College Buildings, over and above the sum of Rs.50,000/- (Rs. Fifty Thousand) already sanctioned in the G.O.No.1631 dated 25-6-48. This staggering declaration is at variance with the assurance given to the President by the Minister for Education and the support promised by our local Minister, The Hon. Sri. H. Sitarama Reddy, in June 1948, when fifty percent of the total cost of the Buildings was assured. The Managing Body is regretfully compelled to recommend to the General Body of the Madras Veerasaiva Vidyavardhaka Sangha, for the closure of the College for the following considerations brought before the Body by the President.

(1) The continuance of the College will mean that the Sangha has to find towards the cost of the Buildings a sum of Rupees Three Lakhs and Eighty Five Thousands (this being the estimate revised on the line recommended by the Joint Consulting Architect to the Government, of Rs.4,35,000/- less Rs.50,000/- the grant sanctioned).

(2) The University of Madras demands an additional collections towards the College Endowment Fund of Rupees Five Lakhs; though our College is still a Secondary Grade one having the responsibility of starting construction of new Buildings for the location of the College as it is, eventually to raise the College to a First Grade one. The University would have been more justified in insisting for raising the Endowment to Rupees Five Lakhs when the Management had completed the construction of the Buildings now contemplated and when it was in a position to raise the College to a First Grade one, although the Endowment already created of properties amounting (according to our book value) to Rs.2,41,000/- yielding an income of Rs.11,000/-, can safely be computed to the capitalised value of about Rs.5/- Lakhs.

(3) The Government's insistance on the formation of Advisory Committee (Ref:-D.P.I8s Circular No.Rc.No.1265/K/47 dated 10-3-48) for

for the College will infringe on the rights of the Sangha and the Managing Body even in the matter of admission and other administrative subjects, though it may now appear to be of Advisory nature.

(4) The recent Government Act empowering the Government to acquire or requisition buildings, apparatus and other equipment of College and other Educational Institutions which may be closed by the respective Managements or otherwise, causes great discouragement to private bodies from coming forward to run Educational Institutions, for the benefit of the Public.

Grant - Building - ~~XXXXXXXX~~ Veerasaiva College, Bellary.

Read:- G.O.No.1631 Edn., dated 25-6-

E.M.7d163/48. From the President, the Madras Veerasaiva Vidyavardhaka Sangha, Bellary, dated 6-10-48.

In G.O.No.1631 Edn., dated 25-6-1948, the Govt. sanctioned the payment during the current year of a half-grant subject to a maximum of Rs.50,000/- towards the construction of buildings for the Veerasaiva College, Bellary. The management of the College now states that H.M.(Edn) has assured ~~XXXXXXXX~~ it that the Govt. would consider sympathetically its request for further grants. He also states that the University of Madras has restored the affiliation of the College on condition that the construction of buildings is started and substantial progress is shown before March 1949. He states that the work will be taken up shortly and requests the Govt. to sanction addl grant/50% of estimated cost less the grant of Rs.50,000/- already promised, to be paid in instalments during 1949-50 and 1950-51, as a special case considering the need for education in the backward district of Bellary. The D.P.I. while inviting the attention to the observations of H.M.(Edn) points out that the correspondent has stated that the committee of the college may not be able to begin the construction unless a promise of half grant is given and that in the event of this scheme being rejected due to lack of funds, the management will be forced to close down the college for want of suitable buildings in which case the backward district of Bellary will be without a college. The total estimate

cost of the scheme is Rs. 3.5 lakhs. The grant on half grant basis works out to Rs. 1.75 lakhs. Deducting the amount of Rs.50,000/- already promised, the college now wants a further grant of Rs. 1,25,000/- to be paid in instalments during 1949-50 and 1950-51. It may be mentioned that the maximum limit of grant fixed for a building scheme for a second grade College is Rs.50,000/- and if any more grant is to be sanctioned to this college, it would involve a departure from the general policy of Govt. regarding the limit of grant for a second grade college. ~~But there~~ appears to be no special reasons for making a departure in this particular case. It may be stated that a relaxation in this particular case may lead to similar requests from other colleges. ~~In the circumstances, it is for orders whether the request of the college for a further grant may be acceded to or not.~~ ~~Finance may see prior to circulation.~~

As observed by the D.P.I. however, the district is a backward one and the Sangha will apparently be in difficulty if promised further aid is not made by Govt., apart from the amount already sanctioned. In view of this special circumstance & of the possibility of the College having to close down it is for consideration whether the maximum limit fixed may be relaxed in this case and such further grant as may be decided upon may be promised to this College.

d a half-grant sanctioned to the College.

The local people are meeting half the amount. If we do not give this one lakh of rupees or so, we may have to take the entire responsibility of running the college and that will come to 4 to 5 lakhs. It is always cheaper to give aid. This is a very backward tract and I think it will be profitable to Govt. to give this. After all it means only a lakh more of rupees for us.

H.M. (Industries) knows the circumstances of this college very well. I think he will kindly explain to H.Pr. and H.Pr. may see again.

TSA
22-11-48

The Sangha at Bellary will not be able to construct the building and carry on unless 50 per cent grant asked for is given. By granting the amount asked for we will help the district to continue the only college that is there. I am afraid the Sangha people will close down the College if the amount asked for is not given. In such a contingency it will be the duty of the Government to start a college of their own which will certainly mean spending much more money. From the point of the view of the Government, I feel, that it is cheaper for the Government to help the existing institution with a special grant rather than allow it to close down and the Government taking up the question of a separate college for the district. Since it is the only college in the district, I suggest that H. Pr. may reconsider his decision and make an exception in this case.

The file may be re-circulated to MIN(Edn) and HM(Industries) for perusal of HPr's minute overleaf.
